Press Release

APP and party strategist Alex Bruno mutually agrees to part ways

In the true spirit of transparency which the Alternative Peoples' Party (APP) prides itself on, we wish to inform the general public that the executive of APP and Political Scientist Alex Bruno, who served as our former party strategist has mutually agreed to part ways.

Within the past few weeks, there have been several matters which have attempted to threaten the democratic principles and values that the APP stands for. Therefore, the appointed executive, duly recognized by the Electoral Commission of Dominica saw it fit to make some necessary changes.

As of September 16, 2021, Mr Bruno officially tendered his resignation to our party's president Mr Julius Corbette, which the party executive has had no objection to accepting.

We are grateful for his service and wish him the best.

As we work through this transition, we pledge that we will continue to uphold the dignity of every Dominican person in our every undertaking, put people first always and execute our plans with consensus and a people-centred purpose.

Sincerely

Julius Corbette

President
