### Press Release

On the strength and authority of our party's ratified constitution that has been recognized and accepted by the electoral office of the Commonwealth of Dominica, the Alternative Peoples' Party wishes to clarify that the duly elected executive of which I Tahira Blanchard is leader, Julius Corbett President and Sharon Vidal Deputy Leader, is the only legitimate authority of the Alternative Peoples' Party and we do not recognize Alexander Bruno or Kendra Stephen as executive leaders.

The Alternative Peoples' Party wishes to advise all media outlets on island that neither Alexander Bruno nor Kendra Stephen are associated with APP and they are not authorized to speak for or on the behalf of the Alternative Peoples' Party and that messages received from them should be treated as null and void and the dissemination of information received from any of these individuals from their media outlet would be seen as malicious and a deliberate attempt to cause harm and damage to the name and image of the party.

Both Alexander Bruno and Kendra Stephen actions have been seen as efforts to undermine the work of our party and they have both received cease and desist letters from our attorneys but they continue to create mischief.

A copy of our party's ratified constitution which is the only constitution that has been recognized and accepted by the Electoral office of the Commonwealth of Dominica has been attached for your edification and guidance. In addition, the open letters sent to Mr. Bruno and Ms. Stephen by our party's lawyer has been attached for public release.

We are grateful for your cooperation in disseminating this very important information and you are asked to be guided accordingly.

Sincerely in Progress
