Dear Madam:

Re: Dissemination of information

We have been instructed by the Executive of the Alternative People's Party (APP) that despite having been written to, you have continued to send out press releases on behalf of APP without the prior knowledge and consent of the present executive. Our further instructions are that as recently as yesterday you sent out a press release in which you purported to speak on behalf of APP.

You are again advised to desist from disseminating any information on behalf of APP and from holding yourself out as having any authority to speak on behalf of the Party. While our clients are not opposed to seeking redress from the court, they would, in the interest of the Party, prefer this matter to be resolved through dialogue with you instead of litigation so are giving you this opportunity to contact our office to arrange a meeting with them.

Should we or our clients not hear from you within 5 days of your receipt of this letter, they will take this to mean that you do not wish to alter your present posture, and they will have no choice but to proceed to litigation against you.

Please be guided accordingly,

Yours faithfully,

Rose Anne Charles
