The Ministry of Education, Human Resource Planning, Vocational Training and National Excellence is pleased to announce the release of the 2025 Grade 6 National Assessment results. This year, a total of 742 students wrote the examinations, 369 female and 373 males.

On the basis of this year's results, Government has decided to award 86 scholarships and 108 bursaries.

The amount allocated to scholars and bursars for textbooks and stationery is \$1000.00 and \$700 respectively. In addition, the costs of CXC fees for scholarship students will be covered by the Government of Dominica.

The top performers in the 2025 examinations were:

As in previous years, students selected to enter the Roseau, ITSS and Portsmouth Secondary Schools' catchment areas will receive forms on which they are to indicate their ranked choice of schools they would like to attend. There will also be the option of doing this online. Once these forms have been returned to the Ministry, the Ministry will work with the Principals of all secondary schools in these catchment areas to ensure that all students are placed in a secondary school.

The Ministry of Education, Human Resource Planning, Vocational Training and National Excellence thanks all those involved in the Grade 6 National Assessment - the members of the subject committees, teachers who wrote items for the examination, the centre coordinators and supervisors, the Police and all the technical and support staff in the Ministry who monitored the administration of the examinations.
