Roseau, Dominica, December 1, 2025- Following the pronouncement made in the National Budget Address for the Fiscal Year 2025/2026, the Ministry of Environment, Rural Modernisation, Kalinago Upliftment and Constituency Empowerment announces revised user fees for national parks and eco-tourism sites, effective December 1, 2025.

Category	Fee
Site visit for private tours to any eco-tourism site except the Waitukubuli National Trail	US\$8.00
Day pass to visit any eco-tourism site or sites except the Waitukubuli National Trail	US\$20.00
Week pass to visit any eco-tourism site or sites except the Waitukubuli National Trail	US\$50.00

Additionally, Titou Gorge and Cold Soufrière have now been designated official eco-tourism sites under national management, with standard fees applied.

The new fee structure will provide additional funding to safeguard Dominica's biodiversity, protect trails and landscapes and strengthen ongoing conservation efforts.

Visitors will soon be able to purchase passes online before arrival, enabling smoother access to nature sites.
