**ROSEAU, Dominica- February 10, 2026:** The Ministry of Labour, Public Service Reform, Social Partnership, Entrepreneurship and Small Business Development has launched a Minimum Wage Hotline to support the effective implementation of the Minimum Wage Order 2025, which came into effect on December 1, 2025.

The hotline is intended to provide workers and employers with direct access to accurate information regarding minimum wage requirements across all applicable sectors.

As part of the Government's commitment to fair compensation and the protection of workers' rights, the hotline will serve as a central point for:

- **Information and Queries:** Clarification on minimum wage rates applicable to specific occupational categories.
- **Reporting Violations:** Submission of complaints where wages fall below the legally prescribed minimum.
- **Guidance and Support:** Practical advice on compliance with the Minimum Wage Order, including implementation within different business sectors.

Members of the public are encouraged to contact the Ministry's compliance officers directly by calling **767-266-3195**, by phone call or WhatsApp at **767-316-3195**, or by email at [minimumwageinfo@dominica.gov.dm](mailto:minimumwageinfo@dominica.gov.dm).

The Ministry assures the public that all communications will be treated with strict confidentiality.

This initiative forms part of Government's broader efforts to promote a fair, transparent and equitable labour market which safeguards workers while supporting sustainable business growth and entrepreneurship in Dominica.
